HEADTEACHER MESSAGE

It has been another fun packed week here at Griffin Park. I have been visiting every class on a daily basis and I am still astounded by how positive and well-behaved the children are. Griffin Park pupils are dedicated to learning and they always look so smartly turned out in their uniforms.

I ran out of room on last week's newsletter to introduce you to Miss Nelson who has joined the teaching team on a temporary basis to cover classes and work with intervention groups following Miss Rushmore leaving us over summer. Miss Nelson has settled in to the school well and has been doing some great work with the children.

Yesterday I had the pleasure of introducing the first class assembly of the year. The year 6 assembly focussed on health and fitness as it was National Fitness day on September 24th. Mr White and his team put together a superb assembly and I was very impressed with how well all the children in the class spoke to the audience. I was inspired to go home and do some mountain climbers and sideways lunges after watching their demonstrations. Well done Year Six.

Please keep an eye on the key dates on each newsletter. The Y3 and Y4 class assembly dates have changed since last week. Have a lovely weekend and I look forward to seeing you all next week.

Mr Chapman.

MACMILLIAN COFFEE MORNING

Today we hosted a Macmillan coffee morning in the school hall. This annual event raises money for the Macmillan cancer charity and it was lovely to see so many families joining us for the social event. Thanks go to all the staff and volunteers who worked hard to make the event a success. A particular thanks must go to Mrs Hindmarsh and Mrs Boardman who organise the coffee morning each year. They having been running around non-stop for the past few days to make sure everything was ready. I am pleased to report that we have raised **£861.14** which has all been paid directly to Macmillan Cancer Support.
